

# Block Lotto

## Pinwheel 2

Please return completed block at the April meeting

For this block please use light yellow tone-on-tone, spring green tone-on-tone, and true red tone-on-tone

### Cutting:

From the yellow

4 – 3 7/8" squares – cut once on the diagonal

2 – 6 1/2" squares

From the green

2 – 3 7/8" squares – cut once on the diagonal

From the red

2 – 3 7/8" squares – cut once on the diagonal

### Assembly:

- Using 4 yellow and 4 green triangles, make 4 half square triangle units
- Piece the 4 half square triangle units to make one pinwheel – see picture to make sure your pinwheel 'spins' in the correct direction
- Using 4 yellow and 4 red triangles, make 4 half square triangle units
- Piece the 4 half square triangle units to make one pinwheel – see picture to make sure your pinwheel 'spins' in the correct direction
- Lay out your two yellow 6 1/2" squares and your 2 pinwheels as shown in the diagram
- Piece as you would any 4 patch block
- Your block should measure 12 1/2" square
