

Beaver Valley Piecemakers
Mystery Quilt Pattern 2006-2007

Step 5 (February)

Cutting:

Fabric #4 Cut two 11 7/8" wide strips. Cut these strips into forty 2" X 11 7/8" rectangles to be used for the sashing.

Arrange the blocks, sashes, and cornerstones to complete the center of the quilt. Sew the pieces into horizontal rows. Press all seam allowances toward the sashes. Sew the rows together. Press the seam allowances away from the rows containing the blocks.

At this point, your quilt center should measure 53 1/2" square. If it doesn't, don't panic. You can make adjustments next month.
