

Appliquéd Heart

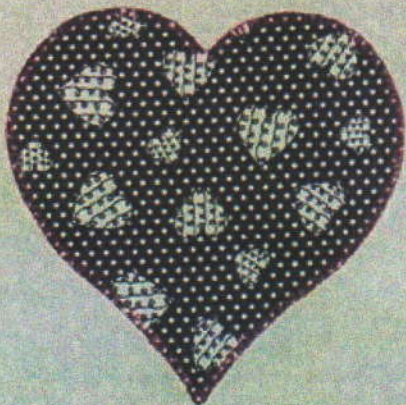

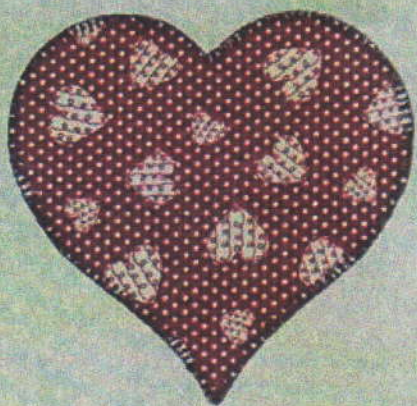

Supplied:

White on White – 1- 6 ½” square

Red or Black Heart 1 – 4 ¼”

Center the heart on the square.
(I used Steam a Seam 2 to
apply the heart to the square.)

Appliqué the heart using the
buttonhole stitch. If the heart
is red use black thread, if the
heart is black use red thread.
You can do the buttonhole
stitch by hand or machine.

All the materials for this month's block lotto are supplied by Amy Baughman's Sewing Center, using the new Accuquilt cutting machine in the New Brighton store. It took me about 30 minutes to cut all the hearts and squares.
