JANUARY MEETING

Welcome Ladies

7:00 meeting begins

Remember last March when "Cath's Pennies Designs" (Wool Penny Rug & Candle Mat Designs) came to speak at our meeting. She gave out wool flower pins to as many as she had. Darlene Reese will help us put those together. Also last winter Kathy Farra had a cute pin cushion to make but our meeting was canceled. So we will make these at our January meeting. If you don't have or can't find your wool flower then come prepared to make the pin cushion. (Darlene will only be able to make a limited number of the wool flower kits. They take a lot more wool than realized.)

Supply List:

Pin Cushion

You need batting cut in 2" widths. I think about 45" long. Doesn't have to be 1 piece. A lid to put it in, mason jar size works well. Lace to put around it. A 3" square of fabric for walnut

sharpeners. Needle and thread. Scissors. Kathy will bring glue and walnuts.

Wool Flower

Needle, thread and scissors. AND your wool flower kit

QUILT DOCUMENTATION

Do you have an old quilt that you really don't know anything about, or a brand new quilt that you have made and want to share with others the journey that you took while making his quilt? Or maybe you have an heirloom quilt and the history and information about the maker should be recorded for future generation. Having a quilt documented by the trained quilt documentation staff is something you should consider.

January 9th and 10th will be a documentation at the Vicary Mansion. Appointments are scheduled on a 1/2 hour rotation. Eight pages of information will be completed in regards to the type of quilt, name and condition of the quilt, as well as the maker of the quilt. This information is not only kept in the archives of the Vicary Mansion, but is entered into an international data base- www.Quiltindex.org. There is data from all over the world on this site that anyone can have access to.

Reservations can be made by contacting the office- 724 775-1848

COMMUNITY SERVICE

We will be making pillowcases again. This time they will go
to MHY Family Services. 300 young people ages 9-17 are
housed each year. When they leave to go back to their homes
or to foster homes, they love to take their bedding with them –
they are their security. So, the need is VERY GREAT.

Please bring all completed pillowcases to each meeting and I
will deliver them. Thanks in advance. Quilters are the most
generous, caring people in the world. Ann Niemann
