COMMUNITY SERVICE

We will be making pillowcases again. This time they will go to MHY Family Services. 300 young people ages 9-17 are housed each year. When they leave to go back to their homes or to foster homes, they love to take their bedding with them – they are their security. So, the need is VERY GREAT.

Please bring all completed pillowcases to each meeting and I will deliver them. Thanks in advance. Quilters are the most generous, caring people in the world. Ann Niemann
