Two 3" squares

Twelve 2-1/2" squares

Four 2-1/2" x 4-1/2" pieces

Step 4: Sew 1/4" on each side of the marked lines. Cut on the line and press half-square triangles open. Trim HSTs to 2-1/2" square.

Step 5: Lay out one HST, one 2-1/2" green square and one 2-1/2" x 4-1/2" piece as shown. Sew the square and HST together. Then sew the longer green piece to the top.

Step 6: Sew a short star point to the bottom. Sew a long star point to the right side.

Step 7: Make four quarter blocks. Sew the quarter blocks together into rows and join the rows.
