

## TREE BLOCK

12 ½" square unfinished block

### Supplies and Cutting:

#### From the cream or cream print cut:

Two 2-½" X 5-1/2" pieces

Two 2-½" X 4-½" pieces

Two 2-½" X 3-½" pieces

Twelve 2-½" X 2-½" squares

Two 2-½" X 1-½" pieces

#### From the green or green print #1 cut:

One 2-½" X 4-½" piece

One 2-½" X 8-½" piece

One 2-½" X 12-½" piece

#### From the green or green print #2 cut:

One 2-½" X 6-½" piece

One 2-½" X 10-½" piece

#### From the brown or brown print cut:

One 2-½" square

**Step 1:** Draw a diagonal line on the wrong side of 10 2-½" squares.

**Step 2:** Layer the marked squares right sides together on both ends of the green print pieces as shown.

**Step 3:** For the top green print #1 piece, stitch on the marked line. Trim seam allowance to ¼" and press open. Position the second marked square as shown; sew, trim and press.

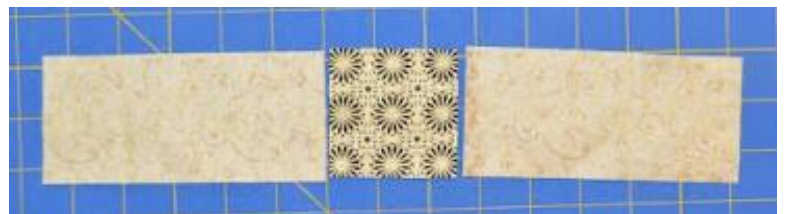

**Step 4:** Add the remaining marked squares in the same way.

**Step 5:** Lay out the cream spacer pieces as shown below. The 2-½" X 4-½" pieces are on the top row, 2-½" X 3-½" in the second row, 2-½" squares in the third row, and 1-½" X 2-½" pieces in the fourth row. Sew the pieces into rows.

**Step 6:** To make the trunk, lay out the two 2-½" X 5-½" cream pieces with the 2 ½" brown/brown print square. Sew the pieces together.

**Step 7:** Join the five tree rows and one trunk row together.
